All the questions you always wanted to ask about Biosphere Reserves (BR) and never dared to ask ... Help and support Desk for and within EuroMAB Network

Objectives

- To support candidates BRs in the nomination process
- To support existing BRs in the periodic review process
- To provide inputs for the MAB operational guidelines for both processes
- To find good cases to be inspired by and share these in the operational guideline and on #ProudToShare

Expected outcomes

- To create a voluntary system of mentorship (one existing BR supports a candidate BR) in the EuroMAB network
- To draft step by step guidelines on how to create a BR (or establish?)
- To list questions (and answers!) about the Periodic Review process to feed the operational guidelines
